MASSIVE CLEANLINESS DRIVE

As part of the Swachhta Pakhwadas (fortnights) of Swachh Bharat Abhiyan, Panjab University, a Massive Cleanliness Drive was organized at Amrita Shergil Girls' Hostel, PU Regional Centre, Ludhiana on February 8, 2017 at 5:30 pm after all the Hostellers returned to their rooms. The drive was aimed at cleanliness of all eighteen rooms of the hostel. All the residents cleaned their rooms thoroughly by sweeping, mopping and removing cobwebs. There was a sense of enthusiasm seen while the residents were busy brightening up their own spaces of everyday living. The Warden, Dr. Harpreet Kaur Vohra inspected all the rooms once the cleanliness drive was over and found a perceptible change in the rooms. All the rooms had received a facelift and room no 204 was declared the cleanest of them all with its residents- Shrishti Tripathi, Ria Sharma and Anjali Kantiwal's efforts being applauded by the Warden. Thereafter, they were applauded in front of the residents at an open house held in the hostel. The drive instilled in the residents a sense of belonging and love for neatness and cleanliness at a place that they consider their home.

SWACHHTA PLEDGE & MASSIVE CLEANLINESS DRIVE

As part of the Swachhta Pakhwadas (fortnights) of Swachh Bharat Abhiyan, Panjab University, the students, faculty and staff were administered the Swachhta Pledge followed by a Massive Cleanliness Drive organized to clean the Annie Besant Auditorium. The pledge was administered by Angad Chahal, the Department Representative of BALLB. The pledge reiterated the spirit of cleanliness that the Mission has sought to achieve with all the signatories promising to keep their surroundings clean. Professor Harmeet Singh Sandhu, Director of the Regional Centre addressed the gathering and encouraged all present to follow the principle of cleanliness in its true spirit. All those who took the Swachhta Pledge then formally recorded their acquiescence by committing their promise on paper through their signatures. After the pledge was administered, students and faculty cleaned the auditorium with fervor and dedication. After the auditorium was swept clean, the participants experienced a sense of achievement because of working with their own hands which has a pleasure of its own.
